# WELCOME TO TURKEY

## ABOUT US

Our company was established in Istanbul in 2014 and has continued as an extension of the ancestral heritage in the field of sweets and chocolates in Istanbul since 1918.

### Our mission:

Based on the founders' wide experience in both food industry & educational field and our belief in the importance of education and cultural awareness in societies' renaissance, our board decided to provide high valued food products complying with the highest standards of food production. Our motto is «sip to the brain & sip to the mouth».

### Our vision:

To lead in the field of food production with the highest standards in the world accompanied with creative ideas through our professional food engineers and educators creating a learning atmosphere full of fun and passion.

### Quality Certifications:

Quality certificates for us are not just a document we present to customers, but rather a way of life that all workers in our factory believe in its importance, and based on it we obtained certificates:
